

MRS. JOHN F. KENNEDY

May 31, 1966

Dear Rafael:

Mrs. Kennedy received the attached memo from Ralph Dungan in Chile-- and as she thought it was such an interesting idea, she has discussed it with Dick Goodwin.

Dick felt you would be the most qualified person to evaluate such a program, and Mrs. Kennedy would be so grateful if you would send her your thoughts on it.

With warmest regards,

Sincerely,

Pamela Turnure
Secretary to Mrs. Kennedy
